**Auszug aus dem Tag der internationalen Freundschaft 2017. Eine Co-Produktion von Familie Sasek mit der Israelin Yael Deckelbaum & der Palästinenserin Miriam Toukan**

The whispering of the ocean winds  
is blowing from afar.  
Laundry flutters in the shade of the wall.  
Between heaven and earth  
there are many people  
who live together in peace  
Do not give up, continue to dream of peace  
and hope.  
Tell me, when are we going to melt  
the walls of fear?  
And when do I return from exile?  
Open my gates finally again –  
yet only for the good and for glory.  
Come, sleep  
Another sun rising  
Come along  
And morning is there  
Then I slaughter him a dove.  
A mother is sending  
Yet fly away, dove  
with a prayer  
And don't believe that,  
Her child to school  
I only said that  
To the sound  
So that my child could sleep.  
Of war.  
The walls of fear  
will melt one day and I  
will return from my exile.  
My gates open to what is really good.  
Children of peace are everywhere  
In every country and every religion  
And the prayer of the mothers resounds  
For their hearts swing with God  
And it lies open before us

That every good thing flows out of us  
only through You.  
Oh God of peace, creator of the worlds,  
all people adore you!  
God of peace,  
From the north, to the south  
from the west to the east  
hear the prayer of the mothers  
bring them peace  
bring them peace  
From the north, to the south  
from the west to the east  
hear the prayer of the mothers  
bring them peace  
bring them peace  
From the north, to the south  
from the west to the east  
hear the prayer of the mothers  
bring them peace  
bring them peace  
Children of peace are everywhere  
In every country and every religion  
hear the prayer of the mothers  
bring them peace  
bring them peace  
The prayer of all mothers  
bring them peace  
bring them peace  
bring them peace  
bring them peace  
bring them peace  
bring them peace  
bring them peace
