

## Film: Out of Shadows – Hollywood stuntmen report

“When you think about the entertainment industry, what comes to mind? Movies, TV, music, right?”

**Mike Smith, a former Hollywood stuntman put these questions to himself after a heavy accident and talks to a former CIA spy and other insiders. They report about hidden propaganda in movies and TV and about hidden powers with a sinister agenda.**

Tonight Kla.TV will broadcast a moving film in which the persons just mentioned will speak out. They talk about Hollywood's mass manipulation, about hidden propaganda in film and television and about hidden powers with a sinister agenda. Using many examples they show how we have been lied to and systematically brainwashed for decades.

The film deals only with the tip of a dark iceberg. Kla.TV has already reported on this topic in more detail in other programs.

You find these and further broadcasts in the credits and the sources in the broadcast text.

Many thanks to the producers of the film!
