

This hard drive is a treasure worth billions! Copy it and pass it on to two people!

Here you will find

- Thousands of revealing Kla.TV documentaries worth over one billion euros
- one of the most important archives in world history
- the evidence, the court records of the greatest crimes of all time

This historical archive is now to be unerasably preserved everywhere – in the age of total censorship – in the most important world languages.

And that's what YOU are needed for!

- Pass on this billion-dollar treasure to 2 people.
- Motivate these 2 to pass the archive on to 2 others, and so on.

If we do this faithfully, in just 20 steps the entire world population will own the Kla.TV archive!

If you have not received the Kla.TV archive on an external hard drive as a gift yet, you can find further information about this exciting vision and the Kla.TV downloader here: www.kla.tv/offline
