31 Day Mantra-Fusion (v08)

Important note: The following words are not aimed at being understood physically in a material way. It is spiritual language, e.g. Day 22: “Fire” means receiving a conviction that burns like “fire” in one’s own conscience. The Bible and Jesus also make usage of this spiritual language. See e.g. Lk 12:49, Lk 3:16, Jn 6:63
